

CURLS Vendor Referral Program

Do you know a salon that you think CURLS products would be great in? CURLS Vendors are savvy, well connected salons, beauty supply stores, and professional chains. We value our partnership and your input!

The new Vendor Referral Programs allows our partners to make money and earn free CURLS products with every referral that becomes a vendor.

Here's how it works.

1. Submit the contact information for the referred salon to CURLS via email – pr@curls.biz, phone 916.712.4960 or fax 916.714.5653.
2. CURLS will contact the salon, stating that you referred us.
3. Once your referral places their 1st order, you will be compensated as follows;
 - a. 20% rebate (paid via the form of a check). Example \$1000 order would result in a \$200 check payable to the person (not company) that referred CURLS.
 - b. \$100 worth of free products (regular or back bar size)

It is that simple!

NOTE: Compensation outlined above is for the first order only. Subsequent orders, for the same vendor, does not apply.
